Attached is a list of the anticipated attendees for the Post-Award Conference, Partnering Session, and Initial Design Conference scheduled for 1-3 March 2017. I may have some of the attendance and team member title information incorrect, so please take a look at this list and let me know if there are revisions that I need to make.

Regarding the Post-Award Conference, I had previously sent a draft agenda to the teams. Please consider that agenda as only a draft. I am in the process of editing that agenda to insure we are not overly duplicating discussions of topics during the three days of meetings and also to allow for some additional time at the end of the day's agenda to discuss contract administrative processes with the AMEC FW team. That discussion may be of limited interest to team members not directly involved with the administration of the contract, but all are welcome to stay.

Ed, I was not sure of the title for Matt Pleistad with IDEQ.

Thanks,
